

BASUDEB KUNDU

KA/20, Kuril Mia Bari, Dhaka-1214

Tel: 01786697260(Office) / 01786697260(Home)

Email: basudebkundu14255@gmail.com

Career Objectives:

To use my knowledge and interest in Machine Learning and Artificial Intelligence to work as a Software Engineer with hands-on experience in developing projects like a data management system and database. I am eager to work in a dynamic environment where I can solve problems, learn new technologies, and help to create AI- driven system to build innovative, impactful and scalable solutions.

Highlights of Qualifications:

- **Proficient in programming languages:** MATLAB, C, C++, JAVA, C#,PYTHON with a strong foundation in Data Structure, Algorithms, and basic software development principles.
- **Expertise in front-end technologies:** Graphical User Interface(GUI) for creating responsive and user friendly interfaces.
- **Database Design and Management:** Experienced in designing ER diagram, using SQL and MySQL, ensuring data integrity and performance optimization.
- **Experienced in project management:** Planning, Scheduling, and coordinating tasks to ensure timely delivery of high quality software solutions.
- **Control Systems and Robotics:** Experienced in automation, DC motor Control, Sensor Integration, Remote controlled security system for making processes faster, more efficient, accurate by reducing the need for manual work.

Relevant Skills:

- Proficient in using Oracle Database 10g expression for managing data and writing queries.
- Skilled in using Microsoft Word and power point.

Education:

2023 – Present	Bachelor of Science, Department of CSE American International University, Bangladesh CGPA – 3.25 / 4.00
2019 – 2021	Higher Secondary Certificate (Science) Mohammadpur Preparatory School and College, Dhaka GPA – 4.85 / 5.00
2017-2019	Secondary School Certificate (Science) Nowapara High School. Faridpur GPA – 4.50 / 5.00

Academic Project:

2025	University Management System , Oracle 10g • Using Relational Database Management System(RDBMS) • SQL, MySQL Connector for connecting with JAVA • Data analysis and Data joining
2024	Pet Adoption Management System, JAVA • Utilizing Java programming language • Java Swing, Javax Swing, Graphical User Interface (GUI)
2024	TIC – TAC – TOE game, C++ • Utilizing C++ programming language • Console Based Game with basic recursive function
2023	Auto Fire Detector and Alarming System • By using Fire sensor, Temperature Sensor • A buzzer, a signal light (for alarming purpose)

Extracurricular Activities:

2024 – Present	Photographer , AIUB Photography Club • Organized recent Orientation Program.
2024 – Present	Event Coverer and Photographer , AIUB Drama Club • Participated as an event coverer in Curtains Rise 2025
2023 – Present	Event Coverer and Photographer , AIUB Flim Club • Participated as an event coverer in Orientation Program.
2021 – 2022	Former Member , Mohammadpur Preparatory School and Colleg • Organized Intra College Science Fest.

Awards & Certificate:

MPSC Science Fair | 2021
AIUB Drama Club Curtains Rise | 2025
AIUB Discover English Conference | 2025
AIUB English Club Ignite Voice Change | 2025

Language Proficiency:

- Bangla (Fluent)
- English (Conversational)

Interest:

- Travelling.
- Reading Books.
- Photography
